

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

Mar-Can Transportation Company, Inc.,

Plaintiff,

-against-

Local 854 Pension Fund,

Defendant.

20-CV-8743 (CS)

ECF

**DECLARATION OF BRYAN
MCCARTHY, ESQ.**

Bryan McCarthy, an attorney admitted to practice before the Courts of the State of New York, declares the following to be true and correct under penalty of perjury:

1. I am counsel for the Amalgamated Transit Workers Local 854 Pension Fund (“ATW Fund”). In my capacity as counsel to the ATW Fund, I am generally familiar with the above-captioned action. I have spoken with Jennifer Clark, counsel to Defendant Local 854 Pension Fund (“Teamsters Fund”) concerning the Teamsters Fund’s inquiries as to the ATW Fund’s status as a “bona fide multiemployer defined benefit fund.”

2. I do not know exactly what the Teamsters Fund means by “bona fide.” I understand that the Teamsters Fund has rejected the redacted CBAs previously provided on the grounds that the redacted sections may contain language stating that the employer is not obligated to contribute to the ATW Fund after all, thus negating the unredacted sections. I view this suggestion as absurd. The Teamsters Fund appears to be questioning whether the ATW Fund is an operational multiemployer plan, or a sham entity created in order to trick the Teamsters Fund into transferring millions of dollars into its accounts.

3. The Teamsters Fund’s accusation is especially peculiar because the Teamsters Fund has personal knowledge that the ATW Fund is a “bona fide, multiemployer

defined benefit fund.” Upon information and belief, William Cassese and John Curcio are trustees of the Teamsters Fund. Cassese owns Mar-Can, and Curcio owns Empire State Bus Corp., Allied Transit Corp. and Empire Charter Service, Inc. These companies, Mar-Can, Empire State Bus Corp., Allied Transit Corp. and Empire Charter Service, Inc. are all contributing employers to the ATW Fund. Attached hereto as Exhibits A and B are true and correct redacted copies of Payment Records for all four (4) companies as of February 26, 2021.¹

4. The Teamsters Fund’s request for documents from the ATW Fund to prove facts that are already within the personal knowledge of the Teamsters Fund’s own Board of Trustees is wasteful and unnecessary. It suggests that the Teamsters Fund has an unrelated reason for requesting copies of these documents, and simply views this litigation as an opportunity to obtain them.

5. The ATW Fund therefore provides this affidavit in lieu of the documents requested. Because I created or negotiated the necessary documents to establish the ATW Fund, I co-ordinate with its actuaries, accountants and staff, and I am its outside general counsel, I have personal knowledge that the ATW Fund is a multiemployer, defined benefit pension fund that is fully operational and operated in compliance with all relevant statutes and regulations.

Information Request

6. As counsel to the ATW Fund, I represented the ATW Fund in drafting its Declaration of Trust, Pension Plan, and Summary Plan Description. I represented the ATW Fund

¹ For the convenience of the parties and the Court, where Mar-Can has previously produced a bates stamped version of a document relied upon in this affidavit, I have co-ordinated with Mar-Can for copies of its production and used the bates stamped version here.

in negotiating its collective bargaining agreements (“CBAs”) with several current employers, including but not limited to Mar-Can, Empire State Bus Company, Allied Transit Corp., Empire Charter Service, Inc., and Consolidated Bus Transit, Inc. I am also familiar with CBAs between Local 854 and other entities.

7. The ATW Fund considers these documents to be commercially sensitive, in that familiarity with the contract terms, contribution rates and benefits provided therein would assist Local 854’s competitors in lobbying contributing employers and their employees to sign with other unions. Employers who sign with other unions would typically cease contributing to the ATW Fund, thus reducing the number of employee participants in and contributing employers to the ATW Fund. All other things being equal, pension funds with more participants and contributing employers are more financially stable.

Multiemployer Plan

8. The ATW Fund is a multiemployer plan, because multiple employers are obligated by CBAs to contribute to the ATW Fund. True and correct redacted copies of CBAs between Local 854 and four employers are attached hereto as Exhibits C and D. See 29 U.S.C. § 1002(37) (statutory definition of multiemployer plan). Nothing in the redacted portion of the CBAs contradicts the employers’ stated obligation in the unredacted portion to contribute to the ATW Fund.

Defined Benefit Plan

9. The ATW Fund has a valid Trust Declaration, Pension Plan, and Summary Plan Description in compliance with governing law.

10. Most union pension plans are defined benefit plans, under which the plan

document defines the pension benefit that will be paid to a plan participant, based on the plan's eligibility requirements and the participant's accrued service under the plan. For example, a defined benefit plan might provide that a participant earns one pension credit for every 12 months of service, is eligible to retire upon reaching at least 55 years of age and 15 pension credits, and upon the participant's eligibility the pension plan will pay the participant a pension equal to \$100 per pension credit per month (*i.e.* the "Normal Pension Benefit"). *See* 29 U.S.C. § 1002(35) (definition of defined benefit plan).

11. Plans that are not defined benefit plans are called defined contribution or individual account plans, under which the participant is typically entitled to receive contributions to the account plus investment gains or losses on those contributions. A 401k is a defined contribution or individual account pension plan. *See* 29 U.S.C. § 1002(34) (definition of defined contribution plan).

12. The ATW Fund is a defined benefit pension plan. A true and correct redacted version of the SPD is attached hereto as Exhibit E. *See* 29 U.S.C. § 1002(35) (definition of defined benefit plan). Nothing in the redacted portion of the SPD contradicts or modifies the ATW Fund's status as a defined benefit pension plan. The ATW Fund does not provide participants with any options for defined contribution or individual account pension benefits.

Public Filings

13. The ATW Fund has complied with all statutory and regulatory filing requirements, including requirements concerning ERISA Forms 5500 and 5300.

14. ERISA Form 5500 was developed by the Internal Revenue Service ("IRS"), Department of Labor ("DOL"), and Pension Benefit Guaranty Corporation ("PBGC"). It

provides key reporting information at the end of each plan year, facilitating these agencies' robust oversight of multiemployer pension plans such as the ATW Fund.

15. ERISA Form 5300 is similar, but is filed by new plans to request an advance determination that the plan satisfies all government requirements. Plans are not legally required to file Form 5300. However, the Fund intends to file Form 5300 in April or May 2021.

16. The ATW Fund will not be required to file Form 5500 until December 31, 2021, seven months after the last day of its first plan year, which is May 31, 2021.

Operational Status

17. The ATW Fund is an operational pension fund. It has approximately 10 contributing employers. It also has several hundred participants. True and correct copies of Participant Histories by Shop for employers Mar-Can, Empire State Bus Corp., Allied Transit Corp. and Empire Charter Service, Inc. are attached hereto as Exhibits F and G.

18. The ATW Fund receives employer contributions and awards pension credits to participants.

19. The ATW Fund has leased office space, hired staff, and retained professionals to provide legal, actuarial and accounting services.

Employment Identification Number

20. The Teamsters Fund has requested the ATW Fund's Employer Identification Number ("EIN"). Based on our review of 29 U.S.C. § 1415, we see no need for the Teamsters Fund to request the ATW Fund's EIN as a condition of executing the mandatory pension transfer, and the Teamsters Fund has provided no explanation.

21. However, because the number will be included in the ATW Fund's future

public filings and is not confidential, we are providing it nonetheless. A true and correct copy of the IRS's notification of EIN to the ATW Fund is attached hereto as Exhibit H.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 85-0774781. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

When you submitted your application for an EIN, you checked the box indicating you are a non-profit organization. Assigning an EIN does not grant tax-exempt status to non-profit organizations. Publication 557, Tax-Exempt Status for Your Organization, has details on the application process, as well as information on returns you may need to file. To apply for recognition of tax-exempt status under Internal Revenue Code Section 501(c)(3), organizations must complete a Form 1023-series application for recognition. All other entities should file Form 1024 if they want to request recognition under Section 501(a).

Nearly all organizations claiming tax-exempt status must file a Form 990-series annual information return (Form 990, 990-EZ, or 990-PF) or notice (Form 990-N) beginning with the year they legally form, even if they have not yet applied for or received recognition of tax-exempt status.

Unless a filing exception applies to you (search www.irs.gov for Annual Exempt Organization Return: Who Must File), you will lose your tax-exempt status if you fail to file a required return or notice for three consecutive years. We start calculating this three-year period from the tax year we assigned the EIN to you. If that first tax year isn't a full twelve months, you're still responsible for submitting a return for that year. If you didn't legally form in the same tax year in which you obtained your EIN, contact us at the phone number or address listed at the top of this letter.

For the most current information on your filing requirements and other important information, visit www.irs.gov/charities.
